A Talking Parrot

Yesterday was a sunny day. My father took me to the zoo. We carried a bag. In the bag we carried an apple, an orange, a bunch of bananas, some grapes and a fruit cake. At the zoo, I saw three elephants eating grass in a big shed. After that we watched a monkey swinging from one branch to another. It was having a lot of fun. There were many birds at the zoo. We saw an owl. It had big eyes. A green parrot was talking to an old man who was standing near its cage. There was a large bird near by. My father told me it was an ostrich. It had just laid an egg. The egg was very big in size. We heard the parrot telling the old man, ' Hello! What a big bird that is. What a big egg that is !'

The fox said, ' Friends, why should we carry these long tails? Let us cut them off and be free of an extra weight.' The other foxes saw the fox without its tail.
