Time: 40 minutes

**Solve the sums given in the balloons and colour the balloons according to the code given in the box.**

Write the answers to these addition facts into the bubbles.  
Shade the bubbles with answers 1 to 6 green, 7 to 9 orange,  
10 to 11 red.

All these questions involve using the 2,3,4,5 and 10 times tables  
to work out these missing multiplication facts.
