

Welland Gouldsmith School
Class : 3
Computer
Project Work

FOLLOW THESE GUIDELINES IN THE ORDER IT IS PRESENTED.

- * 1st page – name, class, subject and topic (Computer System). Use colors to make the writings bright. Stencils or any creative ideas are most welcome.
- * Next page. Hardware (heading) – Answer this question. What is hardware? Name some hardware.
- * Pick any 3 out put devices and input 3 devices. Make drawings on these or if you have good pictures you can stick them. Label each device.
- * Write 3 lines on each of these devices.
- * Activity – Make a pair of headphones with materials available at home. Please keep it simple and neat. NEATNESS is very important. Check youtube for instructions and ideas.

REMEMBER ALL WRITTEN WORK SHOULD BE DONE VERY NEATLY. HEADINGS AND SUB-HEADINGS MUST BE IN COLOR. BORDERS AND FRAMES SHOULD BE INCORPORATED ON EACH PAGE FOR GOOD PRESENTATION.
