

**Welland Gouldsmith School**  
**Class : 3**  
**English Literature**  
**Project Work**

FOLLOW THESE GUIDELINES IN THE ORDER IT IS PRESENTED.

- \* 1<sup>st</sup> page – name, class, subject and topic( Life in Seeds). Use colors to make the writings bright. Stencils or any creative ideas are most welcome.
- \* 2<sup>nd</sup> page – write down the poem – ‘Don’t throw the seeds away’

**Don't Throw the Seeds Away...**

By Paramita Kar

143 words | 2 minutes read | Flesch-Kincaid readability score: Grade 7

It makes you healthy,  
It gives you energy,  
An apple or a guava  
An orange or a papaya  
Eat a fruit everyday  
But don't throw the seeds away.

Here's a simple thing you can do  
You could tell all your friends too!  
Plant the seed in the soil  
(It doesn't take much time or toil)  
Pour a little water there  
A young shoot will soon appear.

In time it'll become a big tree –  
Which gives so much to you and me!  
This way there'll be forests again  
Green and clean our earth will remain.

Grow trees this easy way –  
And its fun too, I say!  
So eat a fruit every day  
But remember —  
Don't throw the seeds away.

This can take more than a page depending on your handwriting. Remember to use colors to decorate the poem.

- \* Next following page – Write down 5 rhyming word pairs from the above poem.
- \* Name and draw 2 vegetables and 2 fruits with seeds. Make your pictures bright and beautiful.

Heading – Things that have seeds.

- \* Find out which is the largest and the smallest seed, then write it down. Heading – Facts on seeds.

- \* Nutritional value of seeds (heading) – Write about 3 healthy seeds that can be eaten and their benefits. Only three sentences on each seed.

**REMEMBER ALL WRITTEN WORK SHOULD BE DONE VERY NEATLY. HEADINGS AND SUB-HEADINGS MUST BE IN COLOR. BORDERS AND FRAMES SHOULD BE INCORPORATED ON EACH PAGE FOR GOOD PRESENTATION.**

- \* Craft work – Things you need : paper, colours and watermelon seeds. Seeing the images below make both crafts. The seeds in the 2<sup>nd</sup> image must be stuck on the red part of the picture.
