K.G WORKSHEET

SUBJECT – SCIENCE

TOPIC- WILD ANIMALS

RECAPUTULATION

Today we started the class with a story telling session about the wild animals in the jungle and we learnt the name of 8 wild animals, i.e., tiger, lion, fox, wolf, deer, bear, monkey and elephant.

- **Lion** – It is a large wild animal and is known as the king of the jungle.
- **Tiger** – It is the national animal of India and it is also very strong and powerful.
- **Fox** – It is very clever and it eats both plants and animals.
- **Deer** – It can run very fast. It also has antlers which makes it look beautiful.
- **Wolf** – It can smell and hear very well and it only eats meat.
- **Bear** – It loves to eat honey and it is large and hairy.
- **Monkey** – It loves to eat bananas and jump from one tree to the other.
- **Elephant** – It is a very huge animal and has a long trunk.

Q1) Name the wild animals:

lion

tiger

fox

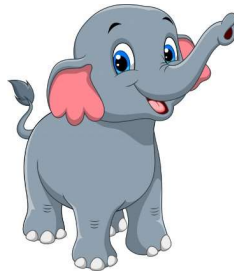

deer

wolf

bear

monkey

elephant

Q2) Fill in the missing letters:

1. l___on

2. tig___r

3. be___r

4. monk___y

5. eleph___nt

6. w___lf

7. de___r

8. f___x

Q3) In your science exercise book name 8 wild animals and stick pictures.
