**WORKSHEET**

**SUBJECT – SCIENCE**

**TOPIC- DOMESTIC ANIMALS**

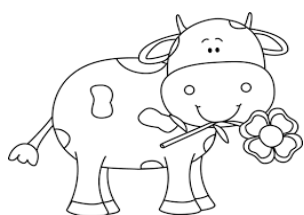

**RECAPITULATION:**

Today we started the class with a song called “Old Mc Donald had a farm” and we learnt the name of 8 domestic animals, i.e. cow, dog, goat, camel, sheep, ox, horse and donkey. We also learnt about how they help us in many ways.

- **Cow:-** It gives us milk and makes us strong.
- **Dog:-** It protects our home, keeps us safe and is also a great friend.
- **Goat:-** It gives us milk and meat.
- **Camel:-** It is very tall and has a hump at the back. It helps us to carry things from one place to another.
- **Sheep:-** It gives us milk and meat.
- **Ox:-** It helps us to grow food and vegetables that we eat.
- **Horse:-** It runs very fast and has a long beautiful tail.
- **Donkey:-** It helps us to carry things from one place to another.
